

NATIONAL INSTITUTE OF ADVANCED STUDIES, BANGALORE

Consciousness Studies Programme

NIAS-MANI BHAUMIK SHORT-TERM RESEARCH GRANTS

The Consciousness Studies Programme is offering a few NIAS-Mani Bhaumik Short-Term Research Grants in the following four modules this year.

Eligibility: Minimally an undergraduate degree, preferably a post-graduate or doctoral degree, and a strong interest in consciousness studies.

Last date of application: 31st July, 2014

NEURON MODELS AND COMPLEX DYNAMICS

Who can apply: Those who are interested in the areas such as mathematical and physical models of neuronal activity & dynamics of coupled neurons can apply.

How to apply: Send us a proposal and statement of purpose with your CV.

Address:
Prof Janaki Balakrishnan
Consciousness Studies Programme
National Institute of Advanced
Studies, Indian Institute of Science
campus, Bangalore 560012

Email: janaki05@gmail.com

COMMUNICATION AND COGNITION IN NONHUMAN SPECIES AND THE EVOLUTION OF CONSCIOUSNESS

Who can apply: Those who have interesting ideas for a short-term theoretical project or an empirical one in the wild or in the laboratory, or are willing to work in the short term on an ongoing project.

How to apply: Send us a brief proposal in about (or less than) 2000 words, a statement of purpose on why you are interested in this area of research and your CV.

Address:
Prof Anindya Sinha / Dr VV Binoy
Consciousness Studies Programme
National Institute of Advanced
Studies, Indian Institute of Science
Campus, Bangalore 560012

Email:
anindya.rana.sinha@gmail.com
vvbinoy@gmail.com

PHYSICS AND CONSCIOUSNESS

Who can apply: Those who have background in theoretical physics and expertise in quantum field theoretical approaches can apply.

How to apply: Send us a proposal and statement of purpose with your CV.

Address:
Prof BV Sreekantan
Consciousness Studies Programme
National Institute of Advanced
Studies, Indian Institute of Science
campus, Bangalore 560012

Email: bvsreekantan@gmail.com

SELF AND CONSCIOUSNESS

Who can apply: Those who are interested in the broad areas of psychology, philosophy, neurophilosophy and neuropsychiatry, with focus on any aspect of self and consciousness can apply.

How to apply: Send us a proposal and statement of purpose with your CV.

Address:
Prof Sangeetha Menon
Consciousness Studies Programme
National Institute of Advanced
Studies, Indian Institute of Science
campus, Bangalore 560012
